Description

The Savoy in West Newton! This one bedroom plus den home is gorgeous. Beautiful laminate flooring throughout and painted in designer colors. The bath has been updated with tiled flooring and tub surround. Gas fireplace located in the corner of the home, which allows for placement of large furniture, including the big screen TV. The den is large and can be used easily as a second bedroom. Good sized balcony and open concept floor plan. The building has been rainscreened. Secure underground parking, with a large number for visitors. Across the street from Kwantlen College. Transit at your door. Walking distance to Community park, shopping, pubs and more. Great place to live, you'll want to check it out, for sure
