Description

AWESOME LOCATION! Priced to sell! This huge two bedroom home is over 1,100 square feet. The master bedroom is massive, if you have a large bedroom suite, bring it here! Desirable split bedroom design, floating shelves, crown mouldings, gas fireplace, in suite laundry, designer paint and more. This building has been rain screened with recent hallway upgrades. You can walk to almost everything, shopping, parks, schools, transit, fairgrounds, coffee shops, pubs and small shops. Quick access to major traffic routes. Very cool place to live. Quick possession is no problem here, you name the dates. Check it out before you make your home purchase! Appointments are very flexible.
