GOLF COURSE LIVING! Immaculate home with beautiful view of the golf course! Only a few years old, this home looks like brand new. Great room floor plan, soaring ceilings, gas range, massive kitchen island. Elegant master retreat, double doors open to a gorgeous view off the Juliette balcony, vaulted ceiling, spa like ensuite, just love this room. Jack and Jill ensuite for the other bedrooms. Walkout basement, fully finished with two large bedrooms, huge family room, beautiful wet bar and eating area. Basement is very bright, lots of sun, excellent space for in-law suite or children still at home. Plenty of parking, double car garage, big driveway and residential street parking. Transit close by. Flexible appointments.
